

The Secretary,  
The Future of Us,  
Annual Plan 2023-24,  
Dunedin City Council.

Dear Sir/Madam,

A highway one bypass makes sense because a voluntary traverse will more likely empty their purse.

Ditch mass security it interferes with everyone's metabolism and its merry riders keep the money flowing overseas.

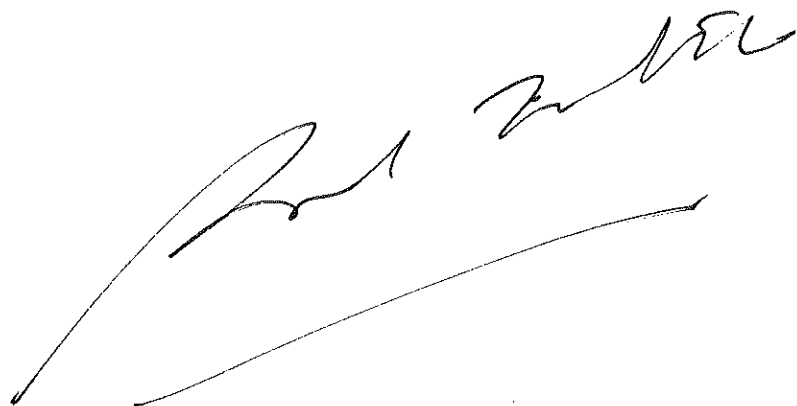

The misuse of electronic etc projectiles increases to fill hospital beds and invalids blow themselves away to retrieve the associated benefits, so shrinkage in the health sector is strongly advised.

Along with a drop back to G3  
and the return of our privacy,  
because I haven't seen a happy  
tourist since Gigatown arrived.

Windows that open on the  
buses and I'd hop on one, and  
the drivers might get to work more  
often.

Yours sincerely,

L. Taneatua
