To whom it may concern,

We would like the West Harbour community board to help develop the ground at Borlase's corner, known as the common, into an open space park with seats and tracks and picnic areas.

We would like to preserve the flat area in the middle, as it is a prime area of land for various uses, e.g. a community garden, open air concerts, bonfires, dog park, etc.

We would like the council to take over the governance of said park to eliminate any conflicts of interest.
